**OVERALL COMMENT:** Madison Leintz has shown growth in every area on this assessment. Ms. Olivia Becker is so pleased with Madison's growth during her student teaching experience. Madison has seen how to make second graders responsible for their learning. Students work in partners and small groups for many curriculum areas. Doing the PBL with Ms. Becker, Madison has seen how project based learning can enhance student learning. Madison is ready for her own classroom and will do well in her kindergarten student teaching placement for the next 8 weeks. Best wishes Madison as you begin to interview for open teaching positions. A neat compliment from Ms. Becker to Madi is that Ms. Becker said, 'I would advocate for Madison to get a teaching position at Rita Murphy School.'
