Suggestions for Improvement:	I feel that with more time, Madison will gain confidence in her relationships with staff and students. She interacted with the students well, yet just did not have the confidence to initiate without prompting from myself with both staff and students.
Do you believe this practicum student has the knowledge, skills, and attitude required to become an effective student teacher?	Yes
General Comments:	Madison did well in our classroom. She communicated well with me and planned great activities with and for the students. I am sure that with more time in classroom settings she will gain more confidence and become a great early childhood educator.
